Company Introduction

Our [NovelArrumado](#) Company, whose name reflects a well-organized entity with professional approaches, is officially registered and headquartered in Portugal, from where it manages and executes its commercial activities directly. In a world where trade borders are becoming increasingly clear and expansive, we position ourselves as a leading organization in international trade, aiming to build effective, sustainable, and mutually beneficial connections between the markets of Europe, Asia, and Africa.

With years of hands-on experience in trade management, we possess a deep understanding of the real needs of industries, the complexities of supply chains, and the requirements of global commerce. Today, this valuable expertise is delivered to our business partners through structured and reliable services.

Fields of Activity

Our scope of activity includes the supply of food, pharmaceutical products, approved food additives, industrial and chemical raw materials, as well as tools and parts for various industries and machinery. Supported by a broad network of manufacturers and suppliers worldwide, we are committed to offering efficient, cost-effective, and high-quality solutions.

Some other of our activities includes:

- Sales Representation
- Marketing and Sample Dispatch
- Participation in Trade Exhibitions
- Supplier Evaluation
- Drafting Commercial Contracts
- Optimizing Purchasing and Sales Processes

Our Services in Food, Fruits & Beverages

1- Agricultural Products

- Cereals: Wheat, Barley, Corn, Rice, Rye, Millet
- Pulses: Chickpeas, Beans, Lentils, Mung Beans, Split Peas, Broad Beans
- Oilseeds: Soybeans, Rapeseed, Sunflower Seeds, Sesame
- Medicinal Herbs: Borage, Saffron, Thyme, Mint, Fennel

2- Fresh Fruits & Vegetables

- Fruits: Apple, Orange, Banana, Lemon, Kiwi, Grape, Pomegranate, Date, Peach, Plum, Apricot, Avocado, Pineapple, Mango
- Vegetables: Tomato, Cucumber, Bell Pepper, Lettuce, Carrot, Cabbage, Eggplant, Zucchini, Garlic, Onion

Our Services in Food, Fruits & Beverages

3- Processed Fruits & Vegetables

- Tomato Paste, Pickles, Compotes, Jams, Canned Goods, Dried Fruit Chips

4- Beverages

- Natural Drinks: Natural Juices, Traditional Syrups (e.g. Saffron, Lemon Verbena)
- Industrial Beverages: Soft Drinks, Malt Beverages, Energy Drinks
- Coffee & Tea: Black Tea, Green Tea, Herbal Tea, Instant Coffee, Coffee Beans

5- Dairy Products & By-products

- Milk, Cheese, Yogurt, Butter, Cream, Doogh (yogurt drink), Milk Powder

Our Services in Food, Fruits & Beverages

6- Food Ingredients

- Sweeteners: Sugar, Glucose, Fructose, Maltodextrin
- Stabilizers & Thickeners: Arabic Gum, Xanthan Gum, Gelatin
- Flavors & Colors: Vanilla Essence, Natural and Artificial Food Colors
- Preservatives: Sodium Benzoate, Potassium Sorbate

7- Meat & Protein Products

- Red & White Meat, Fish, Eggs, Processed Meats (Sausages, Cold Cuts)

8- Organic & Diet Products

- Gluten-Free Foods, Vegan Products, Low-Fat and Low-Sugar Foods

Our Services in Food, Fruits & Beverages

9- Ready-to-Eat & Packaged Foods

- Biscuits, Cakes, Chocolates, Packed Nuts, Semi-Prepared Meals, Instant Noodles, Canned Meals

10- Dry Foodstuffs

- Dried Fruits & Nuts: Walnut, Almond, Hazelnut, Pistachio, Raisin, Date, Dried Mulberry
- Spices: Saffron, Turmeric, Black Pepper, Cinnamon, Cardamom, Cumin, Sumac
- Flours: Wheat Flour, Corn Flour, Rice Flour

Our Services in Food, Fruits & Beverages

11- some other Approved Food and Pharmaceutical Additives

- Carmine, Chlorophyll, Beta-Carotene, Caramel, Anthocyanin, Sodium Benzoate, Potassium Sorbate, Sodium Nitrite, Sorbic Acid, Ascorbic Acid (Vitamin C), Tocopherols (Vitamin E), BHA, BHT, Lecithin, Gelatin, Pectin, Xanthan Gum, Agar, Aspartame, Saccharin, Stevia, Sorbitol, Citric Acid, Lactic Acid, Malic Acid, Sodium Carbonates, Lactose, Mannitol, Microcrystalline Cellulose, Sodium Stearyl Fumarate, Talc, HPMC (Hydroxypropyl Methylcellulose)

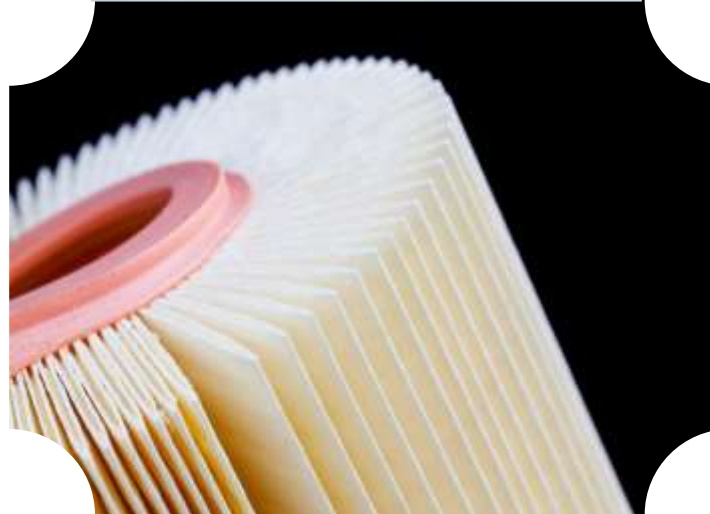

Our Services in Spare Parts

1- Industrial Machineries

1-1: Mechanical Components:

- Bearings (ball and roller types)
- Couplings
- Oil seals
- Belts (V-belts, timing belts, conveyor belts)
- Industrial chains and sprockets
- Bushings and bearing housings
- Filters (air, oil, hydraulic)

Our Services in Spare Parts

1- Industrial Machineries

1-2: Hydraulic and Pneumatic Components:

- Hydraulic cylinders
- Hydraulic pumps
- Control valves (solenoid valves)
- High-pressure hoses
- Pneumatic couplings
- Pneumatic actuators and cylinders

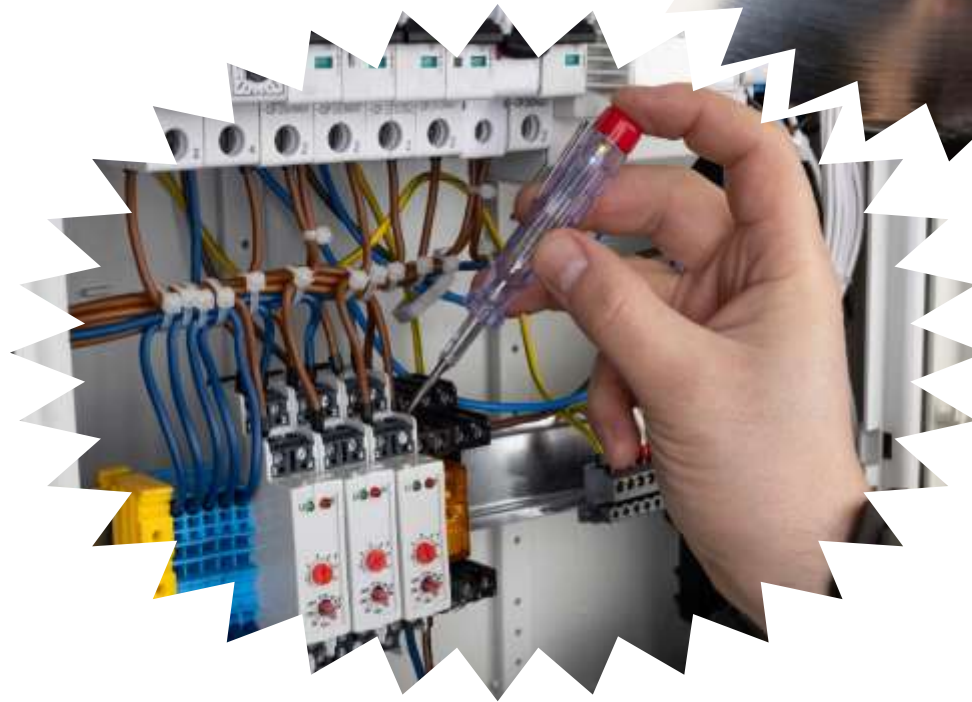

Our Services in Spare Parts

1- Industrial Machineries

1-3: Electrical and Electronic Components:

- Sensors (optical, inductive, thermal)
- PLC and I/O modules
- Inverters and motor drives
- Industrial fuses
- Switches and micro-switches
- Industrial power cables
- Signal lamps and control units

Our Services in Spare Parts

2- Home Appliances

2-1: Washing Machines / Dishwashers:

- Drain pump
- Wash motor
- Drive belt
- Door lock
- Heater element
- Electronic control board
- Water level/pressure sensor

Our Services in Spare Parts

2- Home Appliances

2-2: Refrigerators and Freezers:

- Compressor
- Condenser fan
- Thermostat
- Control board
- Start relay
- Filter drier
- Door gasket

Our Services in Spare Parts

2- Home Appliances

2-3: Microwaves and Gas Stoves:

- Magnetron
- High-voltage transformer
- Thermal fuse
- Door switch
- Heating element
- Thermocouple (gas stove)
- Igniter

Our Services in Spare Parts

2- Home Appliances

2-4: Vacuum Cleaners, Irons, and Small Appliances:

- Vacuum motor
- Air filter
- Vacuum belt
- Iron heating element
- Power cable and switch

Our Services in Livestock, Poultry, and Agriculture Industries

1- Livestock and Poultry Industry

1-1: Basic Feed Ingredients

- Corn
- Soybean Meal
- Barley
- Wheat
- Bran of Wheat & Rice
- Canola Meal
- Sugar Beet Pulp

Our Services in Livestock, Poultry, and Agriculture Industries

1- Livestock and Poultry Industry

1-2: Supplements and Additives

- Dicalcium Phosphate (DCP)
- Monocalcium Phosphate (MCP) Salt (NaCl)
- Vitamins (A, D3, E, K, B-complex)
- Minerals (Ca, P, Mg, Mn, Zn, Fe, Se)
- Enzymes
- Probiotics & Prebiotics
- Amino Acids (Methionine, Lysine, Threonine, Tryptophan)

Our Services in Livestock, Poultry, and Agriculture Industries

1- Livestock and Poultry Industry

1-3: Health & Medicinal Additives

- Coccidiostats
- Oral Antibiotics
- Disinfectants (Formalin, Iodophors, Hydrogen Peroxide)

1-4: Other Feed Materials

- Fat & Energy Supplements
- Bentonite
- Toxin Binders
- Ready-made Pellets & Concentrates

Our Services in Livestock, Poultry, and Agriculture Industries

2- Agricultural

2-1: Fertilizers

- Urea
- Ammonium Nitrate
- Ammonium Phosphate (DAP, MAP)
- Super Phosphate (SSP, DSP, TSP)
- Potassium Sulfate & Potassium Nitrate
- Organic Fertilizers (Compost, Vermicompost, Animal Manure)
- Micronutrient Fertilizers (Fe, Zn, Mn, Cu, B, Mo)

2-2 : Seeds and Saplings

- Improved Seeds (Wheat, Barley, Corn, Canola, Cotton, Soy, Vegetables)
- Grafted Fruit Tree Saplings

Our Services in Livestock, Poultry, and Agriculture Industries

2- Agricultural

2-3: Pesticides and Agrochemicals

- Insecticides
- Fungicides
- Herbicides

2-4: Agricultural Additives

- Plant Growth Regulators (Hormones)
- Humic & Fulvic Acid
- Surfactants and Spray Adjuvants

Our Services in Raw Materials

1- Basic Chemicals

- Sulfuric Acid
- Nitric Acid
- Hydrochloric Acid
- Caustic Soda (Sodium Hydroxide)
- Ammonia
- Calcium Hypochlorite
- Hydrogen Peroxide

2- Solvents

- Methanol
- Ethanol
- Acetone
- Toluene
- Xylene
- Isopropyl Alcohol

Our Services in Raw Materials

3- Polymers and Derivatives

- Polyethylene (PE)
- Polypropylene (PP)
- PVC (Polyvinyl Chloride)
- Polyester, Polycarbonate, Polyurethane
- Epoxy and Polyester Resins
- EVA, ABS, PS

4- Paints and Coatings

- Pigments (Titanium Dioxide, Iron Oxide, Carbon Black)
- Paint Solvents (White Spirit, Butyl Acetate)
- Resins (Acrylic, Alkyd, Epoxy)
- Driers and Additives

Our Services in Raw Materials

5- Additives and Industrial Auxiliaries

- Precipitated Silica & Blowing Agents
- Surfactants (SLES, LABSA, NP9, Tween, Span)
- Stabilizers, Antioxidants, Defoamers
- Emulsifiers and Gel Formers
- Glycerin, Propylene Glycol

6- Minerals and Fillers

- Calcium Carbonate
- Talc
- Bentonite
- Barite
- Silica
- Fuller's Earth

Our Services in Raw Materials

7- Absorbents and Thermal/Moisture Retainers

- Calcium Chloride
- Silica Gel
- Perlite
- Cooling and Thermal Gels

8- Oils and Fats

- Industrial Oils (Mineral Oil, Silicone Oil)
- Edible and Vegetable Oils (Soybean, Palm, Sunflower)
- Waxes (Paraffin, Beeswax, Vegetable Wax)
